

PRODUCT QUALITY CLAIM FORM OF JSC "VOLGABURMASH"
(Bits for the **construction industry**, to be completed by the customer)

CLAIM / COMPLAINT				
Reason for inquiry and description				
BIT IN USE				
Bit model				
Serial Number (as per bit passport)				
Installation date and specifics / Installation details and date				
Removal date				
Drilling interval, m				
Meterage drilled / Penetration, m				
Bit Life / Bit service life, hrs				
Wear description				
GENERAL INFORMATION				
Company / Enterprise				
Contact Details (Full Name, Phone, Email)				
Field / Site / Location				
DRILLING CONDITIONS				
Geological and Stratigraphic Section (lithological description of strata, etc.)				
DRILLING EQUIPMENT				
Drill rig/Equipment manufacturer				
Drill rig model and serial number		Model		Number
Drill pipe diameter, mm				
DRILLING PARAMETERS				
Weight on Bit (WOB)				
Bit performance statistics				
Rate of penetration (ROP), Drilling method		ROP		Drilling method
Motor type and Rotary speed (RPM)		Type		RPM
Drilling fluid (Mud) parameters				
Mud pump pressure				
Pump type and capacity		type		capacity
