

PRODUCT QUALITY CLAIM FORM OF JSC "VOLGABURMASH"
(Drilling bits for the oil and gas industry, filled out by the customer)

DESCRIPTION OF THE QUALITY PROBLEM				
Reason for the claim and description				
BIT IN USE				
Bit Model				
Serial Number (as per bit passport)				
Installation Date and Specifics				
Removal Date				
Drilling Interval, m or ft				
Meterage (Drilled), m or ft				
Bit Life (Hours in Service), h				
Wear Description				
GENERAL INFORMATION				
Company / Organization				
Contact Information (Full Name, Phone, Email)				
Field / Facility				
DRILLING CONDITIONS				
Geological and Stratigraphic Section (lithological description of formations, etc.)				
DRILLING EQUIPMENT				
Derrick/Rig Manufacturer				
Derrick/Rig Model, Number		Model		Number
Drill Rod Diameter, mm				
DRILLING PARAMETERS (REGIME)				
Bit Weight (WOB)				
Bit Performance Statistics				
Rate of Penetration (ROP), Drilling Method		Mechanical Speed		Drilling Method
Motor Type and RPM		Type		Rotary Speed, RPM
Drilling Fluid Parameters				
Mud Pump Pressure				
Pump Type and Capacity		Type		Flow Rate / Capacity
Tel: +7 (846) 300 8000		e-mail: mail@vbm.ru		https://vbm.ru
